BIG CROWD AT STATE FAIR

Unfortunate Incident Mars Excellent Racing Card.

Salem, Sept. 17.—The attendance today at the state fair was about 20,000, of whom nearly 3000 were from Portland.

The most interesting feature of the racing program this afternoon, the Lewis and Clark stake for 2:25 trotters, \$2000, turned into keen disappointment when, after the second heat, the judges ruled W. C. Durfee, lease and driver of Sweet Marie off the track for alleged unprofessional conduct in holding his horse and allowing Dr. Hammond to win the heat. On account of the value of the animal Durfee would not allow another driver to be substituted and withdrew her, despite the protest of the judges, who maintained that he had no right to do it. It is quite likely Durfee and his horse, Sweet Marie, the property of Wm. Garland, of Los Angeles, will be ruled off the track of the American Trotting Association.

WHEEL WITHIN A WHEEL.

New York, Sept. 17.—A new department, almost a subsidiary company, has been formed in the United States Steel Corporation, according to the Times. This department or company is the United States Steel Products Company and will have for its object the extension of the export trade of the corporation. Its capital will be merely nominal.

It is understood that it is not the present intention of the corporation management to send agents abroad, but to content itself for the present with instructing its direct foreign representatives to secure as many contracts as possible, the belief being that this new business will more than offset any possible falling off in the domestic demand.

REV. SCARVIE IS HONORED

Elected Secretary of Norwegian-Danish Conference.

Tacoma, Sept. 17.—The ninth annual conference of the Norwegian-Danish Methodist Episcopal church today elected the following officers:

Secretary, F. A. Scarvie, of Astoria; assistant secretary, August Petersen of Seattle; statistical secretary, P. M. Melby, of San Francisco; assistant, O. O. Tweed, of Portland; treasurer, Carl Erickson, of Everett; assistant, P. E. Peterson, of Los Angeles.

FREIGHT TRAIN GOES INTO DITCH.

Pendleton, Sept. 17.—A freight train, west bound on the O. R. & N., today went into a ditch in the Cayuse canyon, seven miles west of here, piling up 19 box cars and severely injuring three men. The injured are: C. B. Hurley, a brakeman; Jack Smith, a boy working on the road at Kameela, and an unknown tramp who was buried under a car of coal. The cause of the wreck is unknown. The engine did not leave the track.

WILL ISSUE MONEY ORDERS.

New York, Sept. 17.—The director-general of the postoffice has announced, says a Herald dispatch from Lima, Peru, that arrangements have been concluded with the United States for the issuance of money orders, commencing October 1.

STOOD GREAT VOLTAGE.

Glens Falls, N. Y., Sept. 17.—An electric current of 20,000 volts has passed through Joseph Maricani, an employee of a power plant at Spier Falls. He fell against two wires, the points of contact being at the head and one on the hip. He was knocked unconscious and was badly burned where the current entered and left him, but otherwise shows no ill effects. Ordinarily 2000 volts will cause instant death.
